

# EQUITY SERVICES of St. Paul, Inc.

## Specializing in chronic care management for over 40 years!

Equity Home Care has been serving the St Paul metro area since 1985. We are a local non-profit organization with deep ties to our community.

As a trusted provider of home care services for over 40 years we provide:

- A level of services that meets and exceeds the healthcare industry's highest standards
- A cost effective and comfortable alternative to residing in a hospital, nursing home, or assisted living community
- Highly trained, screened, & credentialed health care professionals
- Client to caregiver matching service to ensure compatibility and continuity.
- Routine monitoring and assessments by management to ensure client satisfaction

## Committed to Quality Care

### Mission

Our mission is to provide high quality homecare services within our community. We are committed to providing the highest standard of care, while striving to allow clients to maintain their independence and the ability to remain in the comforts of their home.

### Vision

Our vision and commitment is to serve, help, and enhance the quality of life and wellbeing of others. To provide our clients with friendly, experienced and highly dedicated caregivers to improve their quality and enjoyment of life.

### Goals

Our goals demonstrate our commitment to developing longterm, trusting relationships with patients, community, employees, and partners. In doing this, Equity Service will continue to embody the "Home Care with a Heart" reputation as its legacy.

## Committed to Customized Care

At Equity Services we are passionate about what we do and are dedicated to providing a positive home care experience. Maintaining continuity of care is how we are committed to our clients. All staff are provided annual training regarding the care of clients with Dementia, Alzheimer's disease or related disorders. Details regarding this training are available upon your request.

## Committed to Excellence

We have earned an excellent reputation within our industry thanks to our exceptional caregivers and an unparalleled level of customer service.

Exceeding the Industry Standards in the Quality Assessments Only (QAO) Performance Reports. Assessment of OASIS submission compliance: At 96%, our agency exceeds 2024 performance requirements of 90%
